

College English 2 – Final Project: Poster on Global Issues

Project Overview:

You will create an informative and visually appealing poster about a global issue that you care about. Your poster should clearly explain the issue and provide important facts or information to help others understand it. You are encouraged to include possible solutions or actions people can take, and you may also create a catchy slogan to raise awareness.

What to Include in Your Poster:

1. Title: A clear and engaging title related to your global issue.
2. Description: Briefly explain the issue – what it is, why it matters, and who is affected.
3. Key Facts: Include 3–5 important facts or statistics about the issue.
4. Solutions: Suggest one or more possible solutions or ways people can help. (Optional but recommended)
5. Slogan: Create a memorable slogan or tagline to promote awareness or action. (Optional)
6. Visuals: Use images, charts, or graphics to make your poster eye-catching and easy to understand.

Format:

1. The poster can be made digitally or by hand (photographed and submitted).
2. Text should be clear and readable. Use headings, bullet points, and colors effectively.

Submission:

1. Submit your poster to my email: andriasy29@gmail.com.
2. Include your full name(s) on the email

Assessment Criteria:

1. Clarity and accuracy of information
2. Creativity and design
3. Inclusion of solutions or slogans
4. Grammar and language use
5. Overall presentation and effort
