

Week 13

Incorporated and unincorporated business

Lecture 13

Incorporated and unincorporated business

Lecturer: Salmon Pandarangga

Lecture learning outcomes

At the end of the lecture, you will be able to:

1. learn incorporated business
2. learn unincorporated business

1. Learning incorporated business

Incorporated business means a business is a separate legal entity from its owner and it is a private limited company. Incorporated business has :

- share, dividend, member (saham, dividen, anggota)
- limited liability partnership (kerjasama dengan tanggung jawab terbatas)
- corporation tax (pajak perusahaan)
- public limited company (perusahaan terbatas umum)
- limited liability (tanggung jawab terbatas)

2. Learning unincorporated business

- unlimited liability (tanggung jawab tidak terbatas)
- partnership (kerjasama)
- joint and several liability (tanggung jawab bersama)
- sole trader (perusahaan tunggal)
- partner (mitra)
