

# Types and forms of tourism

Tourism is one of the most flourishing industries in the world

The tourism industry exists in some form or the other in every part of the world

The tourism infrastructure has also developed to a great extent over the years

According to the *International Association of Scientific Experts in Tourism (IASSET)*, tourism comprises three distinct elements

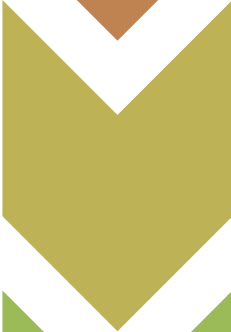

Involvement  
in travel of  
non-residents,

Stay of  
temporary  
nature in the  
area visited

Stay not  
connected  
with any  
activity  
involving  
earnings.

- 
- Currently, there are many classifications of tourism

- 
- The tourist is an active or passive tourist agent

- 
- Tourism, as a concept, has come a long way today

- 
- The tourism sector today aims to cater to the needs
